

Help prevent aquatic hitchhikers from catching a ride on your boat or gear!

ALL MONTANA BOATERS

- Inspect and remove aquatic plants and animals
- Drain water and pull plug
- Dispose of unwanted bait in the trash
- Wash with hot and/or high-pressure water, OR dry in direct sunlight for at least 5 days

OUT OF STATE?

If your boat has been in a state with a zebra or quagga mussel population within the last thirty days please call (406)459-9478

for more information

Working together we can keep Flathead free of new invasive species! The following are participants in the Flathead Basin Aquatic Invasive Species Workgroup:

- Confederated Salish Kootenai Tribes
- Flathead Conservation District
- Flathead Lake Biological Station
- Flathead Lakers
- Flathead National Forest
- Lake County
- Montana Fish, Wildlife and Parks
- U.S. Fish and Wildlife Service
- U.S. Geological Survey
- Whitefish Lake Institute

Special thanks to the following partners:

- Flathead Basin Commission
- Glacier National Park
- Montana Department of Agriculture

Boaters!

Help protect the Flathead waters! Aquatic invasive species like the zebra mussel could destroy the fishing and boating we all enjoy.

**AQUATIC INVASIVE SPECIES
MAY BE HITTING A RIDE ON
YOUR BOAT!!**

Clean boats

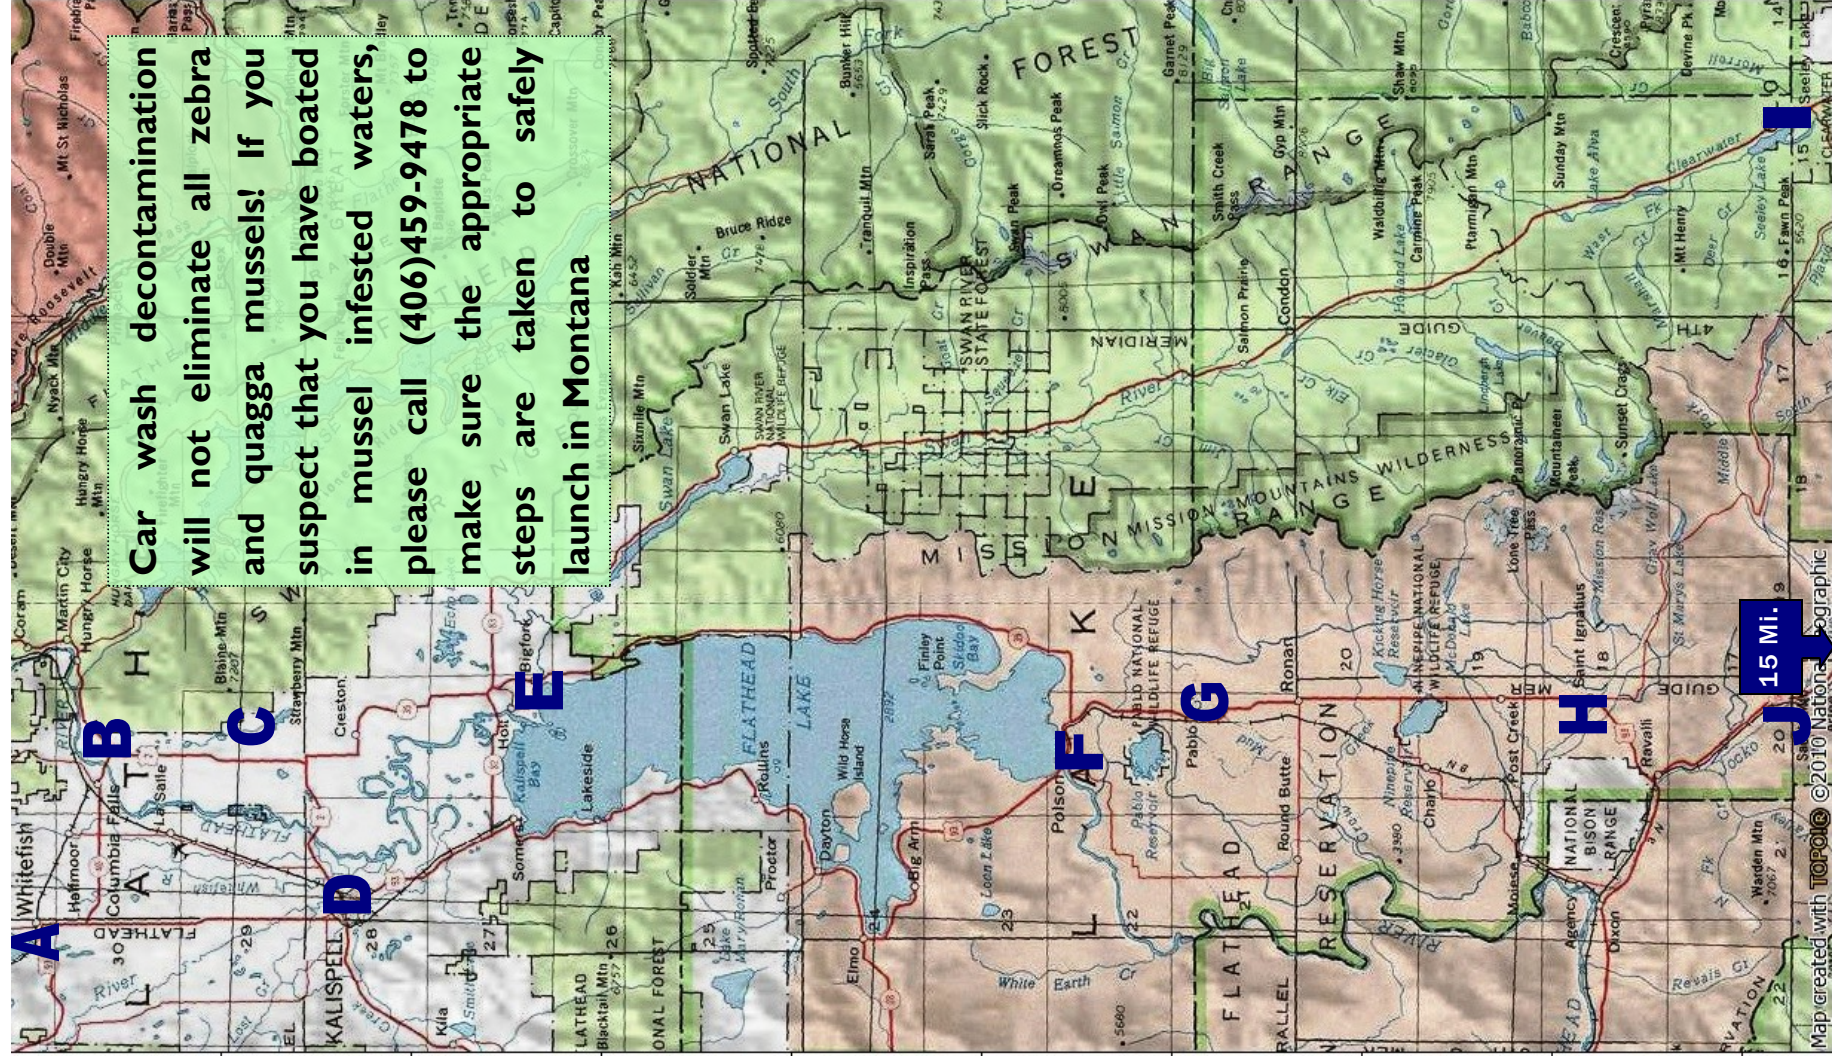

Clean waters

Help Prevent the Spread!

Places to wash your boat

These car washes are self-operated, have the proper equipment, and are located safely away from the water.
